## **Patience.**

Please give us some time to process all photos. Photos published during tournament are not or minimal developed. Each race day we take 2000 – 3000 photos, so normally it takes me 2 till 4 weeks to process all. On my website you can find a status update, so you can see the progress.

## **Rights**

All rights remain with the photographer (Kees-Jan van Overbeeke). The pictures provided are intended for private use, for publication other than on your own website you need to contact me. Mention of my name is appreciated.
